

Phonics

By ensuring high-quality phonics teaching and improving literacy levels, we want to:

- give all children a solid base on which to build as they progress through school
- help them develop the habit of reading both widely and often, for both pleasure and information

What is Phonics?

Phonics is a method of learning to read words that is taught from the start of Reception. Synthetic phonics is a way of teaching reading. Your child will be taught two crucial things when they are learning to read using synthetic phonics:

1. **How sounds are represented by written letters. For example, they will be taught that the letter 'm' represents an mmm sound.**
2. **How sounds can be blended together to make words. For example, they will be taught that the sounds of the letters 'c-a-t' blend together to make the word 'cat'.**

Biff, Chip, Kipper and Floppy the dog have made Oxford Reading Tree the UK's most popular reading scheme used by 80% of primary schools in the UK.

Phonics at our School

At Noor Ul Islam Primary School we use The Floppy's Phonics programme, a DFE-validated systematic synthetic phonics teaching programmes (SSP). It teaches the letter/s-sound correspondences of the English alphabetic code explicitly and comprehensively for reading, spelling and handwriting:

- Systematic and structured with inbuilt rigorous revision to ensure the success of every child
- Includes the characters of Floppy the dog, Biff, Chip and Kipper and their family and friends, with hundreds of colour pictures to engage children fully for the phonics teaching & learning, vocabulary enrichment and language comprehension
- Rigorous teaching sequence ensuring the phonics teaching & learning is straightforward, effective and allows for differentiation in simple, but effective, ways

- Builds up knowledge of spelling word banks over time where words are spelt with the same letter/s-sound correspondences

Hi gang,

Welcome to our web page, thank you for coming to explore. We are all part of the Floppy's Phonics team and we would love for you to join in and have a go at some phonics with us. First, we must introduce ourselves so scroll down to find out who we are.

The Robinsons:

Biff

Chip

Floppy

Kipper

Mum and Dad

Gran

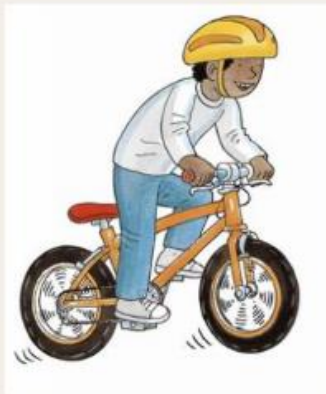

Our Friends:

Anneena

Nadim

Wilf

Wilma

Now you know our names it's time to have some fun! Below are some resources your teachers have uploaded to help you practise your sounds. Also, it is equally as important for you to practise saying these sounds when you are reading, you can do this through reading the sentences.

Come and join in!
Biff, chip and Kipper

Extra Practice Zone (Bearing in mind these videos have some music as they are songs/rhymes for children to learn)
