

Summer 2 2023-24/1445

YEAR 2 LEARNING PLAN

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

I would like to inform you of the learning in year 2 over the next half term. It would be of great benefit to your child's progress if you provided help and support in these areas. *Ustadah Sherin*

Maths

- Develop children's ability to tell and write the time to five minutes, including quarter past and to the hour.
- Link intervals of time to the number line, and know the number of minutes in an hour, and hours in a day.
- Learn how to accurately measure mass, volume, capacity and temperature,

English

Books: 'Rosie Revere, Engineer by Andrea Beatty and David Robert, A Walk in London by Salvatore Rubbino.

- Using suffixes to spell longer words, including -ment, -ness.
- Using subordination (when, if, that, because) and co-ordination (using or, and, but).
- Listening to and discussing a wide range of fiction, poetry, plays, non-fiction and reference books or textbooks
- Being introduced to non-fiction books that are structured in different ways
- Organising paragraphs around a theme.

Qur'an, Arabic and Islamic Studies

Quran

Students should be confident in spelling:

- the concept of Shaddah
- merging and doubling the shaddah letters confidently
- Shaddah with 2/3-word components
- Shaddah accompanied by a variety of vowels

Arabic

- Students will learn to say classroom items in Arabic.
- to construct basic sentences on the topic.

Islamic Studies

- Students will learn about tahaarah (cleanliness)
- the Adhkaar of Salah.
- The hadith of Jibril in brief
- 6 article of faith

Foundation Subjects

SEAL - Going for goals

This unit provides opportunities for children to reflect on themselves as individuals, particularly their strengths as learners and setting goals for how they can learn most effectively.

The MORE you REFLECT the MORE you LEARN

SCIENCE - Scientists and Inventors

Children will learn about the invention of the waterproof coat, find out about the work of doctors, find out more about greenhouses to compare growth of plants. They will also learn about how germs are spread, as well as learn about the development of wind turbines and how this invention is used to generate power.

DT - Perfect Pizzas

Through the course of this unit, children will explore what makes up a pizza by having a look at different base and what foods could be used as toppings. They will be learning the importance of food hygiene as well as the importance of keeping safe when preparing food. Children will get the chance to design and make their own pizzas.

Qaida and Quran

Brought back on Monday, they will be returned to you on Wednesday.

SPORTS DAY - 25/06/2024
