

Summer 2 2023-24/1445

YEAR 5 LEARNING PLAN

Assalamu 'Alaykum,

We have had a wonderful summer 1 and I hope we have another eventful term in Summer 2 Insha'Allah. I would like to inform you of the different topics we are covering this half term. It would be of great benefit to your child's progress if you provided help and support in these areas at home. *Ustaadah Mirfat*

English

Hidden Figures: The True Story of Four Black Women and the Space Race by Margot Lee Shetterly and Laura Freeman

A book about the achievement of four iconic women working for NASA. Pupils will write an opinion piece, newspaper articles, character descriptions and a final memoir for assessment.

Kaspar, Prince of Cats by Michael Morpurgo

Children will create a range of fiction and non fiction writing opportunities including letter writing, narrative writing an alternative ending, newspaper articles, recounts and researching The Titanic and its voyage.

Main outcome: Newspaper article

Homework

Homework will be set every Friday and children are expected to complete the homework by Tuesday.

Writing for Pleasure - once a week writing task for children. No due date but children will be asked to bring back books to monitor their writing activity.

Foundation Subjects

SCIENCE

Human timeline

- Children will review their learning from this topic by covering the human timeline as a whole, from gestation to late adulthood.
- They will recap key information about each stage of the human life cycle, including at what age the stages begin and the key changes that occur during each stage (covered in Human Development lessons).
- Children will also explore data on life expectancy and how it has changed over time, challenging themselves to think about what could have caused such a change in life expectancy.

Geography

Investigating Coast

- Investigate what coasts are, how they are formed, how they are protected and why they are constantly changing.

DT – Making bread/Hajj Exhibition

- An awareness of basic food hygiene and using equipment safely.
- Experience of investigating existing products to inform design ideas.
- Experience of evaluating food products according to appearance, texture and taste.
- Weighing and measuring skills.

PSHE

Living and Dealing as an Ethical Muslim

Children will cover and explore:

- Halal living and money
- Earning Halal
- Sending and Borrowing Halal
- Business Ethics in Islam
- Charity in Islam
- Islam and Inheritance

RSHE

Human development.

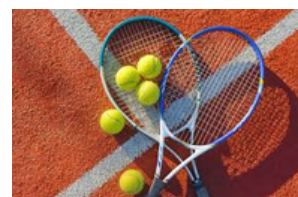

Details will be provided separately.

PE – Every Tuesday

Cricket

- Batting
- Bowling
- Fielding
- Wicket Keeping
- Teamwork skills

TARBIYYAH

Mental health and wellbeing

Inspiring stories from the people of the past
