

SPRING 1 2023-24/1445

YEAR 6 LEARNING PLAN

Assalaamuallaikum Wa Rahmatullaahi Wa Barakatuh.

We would like to inform you of the different topics we are covering in Year 6 this half term. It would be of great benefit to your child's progress if you provided help and support in these areas at home.

Ustadahs Aneeqa and Salma

English

We will be reading the books named **The Invention of Hugo Cabret by Brian Selznick** and **The Suffragette: The Battle for Equality by David Roberts**. Our pupils will apply their growing knowledge of root words, prefixes and suffixes. Pupils will increase their familiarity with a wide range of books, including myths, legends and traditional stories, modern fiction, fiction from our literary heritage, and books from other cultures and traditions.

Maths

Unit 7 Decimals – Pupils will draw on their understanding of number and place value to calculate with decimals. The learning from this unit will support children in calculating with measures, particularly converting between standard units, and it will support their understanding of fractions, decimals, and percentages, and how they are related.

Unit 8 Percentages – Pupils will learn a range of strategies to find percentages of amounts. They will then apply these strategies to convert between percentages, decimals, and fractions.

Unit 9 Algebra – Pupils will generalise mathematical concepts and problems, representing them algebraically as expressions, formulae and equations. Pupils begin by finding rules that govern number patterns.

Qur'an, Arabic and Islamic Studies

Quran:

Revision: Surah Mulk

Tajweed: Idghaam

Islamic Studies:

Halal and Haram Consumption, Rulings of Wudu, Prophet Sulayman (AS), Salah

Arabic:

Reading Block & Grammar

Children will go through a variety of texts from the book Arabiyyatu lin Naasheen. They will be expected to understand, translate and answer comprehension questions independently. They will also learn some foundation rules in Arabic Grammar.

Homework

- Consolidation on Maths and English topics to secure learning.
- Weekly spellings from National Curriculum.
- Weekly Time tables tests from the National Curriculum.
- Homework to be given out every Friday on SeeSaw and to be submitted by Tuesday evening.
- Reading folder including reading record books to be brought back by Tuesday morning and given back on Friday.
- Quran/qaida to be brought on Monday and returned on Wednesday and Thursday.

Foundation Subjects

Science

Living things and their habitats

Pupils will learn to:

- Describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird.
- Describe the life process of reproduction in some plants and animals.

History

Topic: A Local Study

Pupils will learn to:

- Explore the UK's economic activity, land use, settlements, climate, upland areas and England's longest rivers.
- Learn about the UK's 2012 imports and exports as well as natural resources found in England.

Design and technology (DT)

Topic: Funky Furnishings

Pupils will learn to:

- Investigate and analyse different types of cushions. During this unit children will explore different ways of joining, decorating, designing, and creating a cushion cover using fabric and their sewing skills.

Physical Social and Emotional Education (PSHE)

Topic: Understanding Deen in its entirety.

Pupils will learn:

- To love, live and share their deen
- About 'Me and my creator'
- About the rights of the creation in Islam

Physical Education (PE)

Topic: Boxing

Pupils will learn:

- Skipping
- Stance and footwork
- Moving forward and backwards
- Lateral movement
- Pivoting
- Basic punches and combination
- Pad work
