

Spring 1 2024-25/1446

YEAR 5 LEARNING PLAN

Assalamu 'Alaykum,
We have had an eventful autumn term and I hope we have another fantastic term in Spring Insha'Allah. I would like to inform you of the different topics we are covering this half term. It would be of great benefit to your child's progress if you provided help and support in these areas at home. *Ustaadhs Amal and Aziza*

English

The Lost Thing by Shaun Tan

Pupils will be identifying different types of figurative language in the text and evaluate how the author has used different styles of language.

Pupils will be practising spelling words with the 'ough' phoneme and learn to recognise and spell the suffixes cian/tion/ssion/sion. Pupils will research themes explored in the book to apply to their own independent writing.

Unspoken by Henry Cole

Pupils use their inference skills to explore what is happening in this wordless book. They examine the historical period of the time and write as the main character, ensuring they can draw upon any experiences they have had themselves where a dilemma is presented. They finish the sequence by researching the life of Harriet Tubman and writing a biography.

Maths

Multiplication and division (2), Fractions (1), Fractions (2)

Children will be learning how these units interlink. Pupils will be:

- Representing fractions
- Simplifying fractions
- Making equivalent fractions
- Converting between improper and proper fractions
- Adding/Subtracting fractions by finding a common denominator
- Multi-step problems involving fractions

Decimals and Percentages

- Learning decimal place value
- Calculating percentages
- Converting between decimals, fractions and percentages
- Solving word problems involving decimals, fractions and percentages

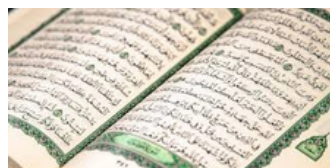

Qur'an, Arabic and Islamic Studies

QURAN

- Revision Inshiqaq to Layl, Mursalat, Insaan
- New: Qiyamah
- Ikhfaa
- Idghaam Shafawiy

ARABIC

- Describe your school environment/class/name of school and year. Name of teacher/head teacher/subjects studied and time table.
- صف مدرستك/فصلك/صفاك
- اسم المدرس/المدير/الحصة

ISLAMIC STUDIES

- Times of Salaah
- Wudu Acts
- Ghosl Acts
- Prophet Yunus

Homework

Makkah: Homework will be set every Friday and children are expected to complete the homework by Tuesday.

Madinah: Homework will be set out every Thursday and children are expected to complete the homework by Wednesday.

Foundation Subjects

SCIENCE:

Earth and Space

Children explore the movement of the celestial bodies in our Solar System, including the Earth and other planets and the Moon. They discover how the rotation of the Earth causes night and day and how sundials work. Pupils find out about the uses of satellites and the problem with space junk.

Geography

Why do oceans matter?

Exploring the importance of our oceans and how they have changed over time with a focus on the Great Barrier Reef, specifically addressing climate change and pollution.

Art

A Sense of Place

Study the work of some of the most famous landscape artists and how they use perspective to give a sense of depth to their work.

PSHE

Living as a Muslim in Britain

Children will discover and explore:

- Understanding Moral Values
- Historical Perspectives on Islam in Britain
- Identity, Faith and Culture
- Shared Values

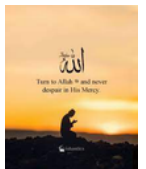

Health & Well-Being

Children will cover and explore:

- Healthy Eating and the Sunnah
- What is Mental Health
- Understanding different personalities.
