

Summer 2 2024-25/1446

YEAR 4 LEARNING PLAN

Assalamualaikum,

I would like to inform you of the different topics we are covering in Year 4 this half term. It would be of great benefit to your child's progress if you provided help and support in these areas at home.

Ustadah Salma (Year 4 Teacher)

English

Book: Jabberwocky by Lewis Carroll and Joel Stewart

- Performance poetry, explanatory descriptions & character dialogues.
- Recognising different forms of poetry e.g. free verse, acrostic, limerick.

Book: The Lion, The Witch and the Wardrobe by C.S Lewis

- Poem, eyewitness report, an imaginary conversation, writing in role
- Main Outcome: Own version narrative (set in another world)

Maths

Unit 13: Time

This unit will develop children's ability to convert between units of time. Children will also be introduced to the concept of the 24-hour clock, learning to state the time as both a 12- and 24-hour clock time. Children will solve problems using these new concepts and prior learning, including word problems.

Unit 14: Statistics

This unit develops children's understanding of certain types of 2D shapes and their properties. Children begin by learning about three types of angles: acute, obtuse and right angles. Children will then learn about how shapes can be regular or irregular and will discover what this means and how it relates to the angles they have been learning about.

Unit 15 & 16: Geometry

This unit exposes children to a range of ways in which information and data can be presented and interpreted.

Children will coordinate grids, using them to describe the positions of points and translations from one point to another.

Quran

- Revision of everything learnt over the past year
- Beginning Juz Tabarak

Arabic

Reading Block

- Introducing oneself to boys and girls
- Speaking about one's own and other's belongings
